Subscriptions

☒ SPE Journal of Petroleum Technology (12 issues/year) 1 Year

1 Year Digital - INCLUDED

Included with membership

SPE's monthly magazine for members and anyone interested in petroleum technology. Each issue includes three to four technical topics featuring some of the best papers from SPE conferences over the prior year. These papers are selected by the JPT Editorial Board, rather than through peer review.

Note: All SPE members automatically receive a monthly print or online subscription to the Journal of Petroleum Technology (JPT) with payment of their membership dues.

Published monthly in print and online at JPTOnline.org

☐ SPE Journal (6 issues/year)

1 Year

1 Year Digital - USD 95.00

Research and Theoretical Aspects of E&P

SPE Journal includes fundamental research papers on all aspects of engineering for oil and gas exploration and production. *SPE Journal* covers the theories and emerging concepts that will become the new technologies of tomorrow. Recent issues have included articles covering reservoir characterization, multiphase flow, drilling dynamics, well architecture, gas well deliverability, numerical simulation and CO2 sequestration. Get the best of new technology and practices.

Published quarterly in March, June, September and December

Your Membership

1 Year Membership \$15.00 USD

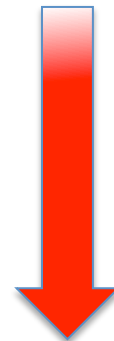

Esse valor está correto, não se assustem. No fim, você será isento da taxa.

Membership

\$15.00 USD

Total:

Final pricing, including any available promotions and/or coupons, will be calculated at checkout.

A new bimonthly magazine that focuses on emerging topics important to projects, facilities and construction professionals. Each issue includes peer-reviewed technical papers, as well as editorial features that include industry and technical news.

Published bimonthly in February, April, June, August, October and December

☐ SPE Online Peer-Reviewed Journals Bundle (Excludes 1 Year 1 Year Digital - USD 250.00 JPT) (4 issues/year)

Includes access to the digital versions of the following SPE scholarly publications: *SPE Drilling & Completion*, *SPE Economics & Management*, *SPE Journal*, *SPE Production & Operations*, *SPE Reservoir Evaluation & Engineering*, *Oil & Gas Facilities*, and *Journal of Canadian Petroleum Technology*.
Published quarterly in March, June, September and December

Note: Professional Members 35 years of age and under automatically receive The Way Ahead magazine with their membership.

SUBSCRIPTIONS: *Oil and Gas Facilities* magazine is free to SPE Professional members who designate Projects, Facilities and Construction as their primary or secondary discipline.
